

I am writing to let you know about one of the fresh voices I believe the Lord is releasing to the Body of Christ today. His name is John King.

It is not my usual policy to send letters like this “endorsing” ministers or ministries, so it is not something I do lightly. Having worked extensively with other ministries of significant kingdom impact, I feel that John King is going to become one of the next voices of clarity and equipping.

John walks in great integrity and unusual anointing. He was mentored by Dr. Edwin Cole of the Christian Men’s Network for many years. He also served alongside both Pastor Brian Houston and Pastor Frank Houston of Hillsong Church in Australia. While in Australia, he helped to facilitate over 75 church plants. John and his wife, Beccy, have most recently felt a strong call from the Lord to serve as missionaries to the United States.

Personally, I have found John to be a real blessing to my own congregation. His message is convicting, inspirational, and empowering. I have never been in a service with John where people’s hearts have not been touched by the love of God. I also have never been in a service where people do not leave awakened to a greater sense of kingdom responsibility. He has a unique ability to speak with relevance, but without compromise. The Lord has used him to supernaturally confirm the vision the Lord has given me and the direction the Lord is taking us as a congregation. I know for a fact this is true for many congregations where John has ministered.

So with great confidence, I recommend to you the ministry of John King. I believe that his ministry would be enriching and growth-producing for any local church.

Yours in His Service,

David Hale
