The intent of this letter is to recommend the ministry of John King. I have known John for 2 1/2 years and have had John minister to my people on an annual basis. He has a very special anointing that the Body of Christ so desperately is in need of. He is a man of God with a love for the Body of Christ. He truly comes to serve and not to be served, which as a pastor, I appreciate greatly. Not only has John ministered to my church at large, but also to my leaders in a smaller setting. John brought a very timely leadership teaching to my leaders. Through his teaching, God through him, helped our church through a time of transition. It has been 4 months since he and his wife ministered here, but the effect is undeniable as people are still talking about what God did in their lives through John.
